

Describing My Close Friend

I have a close friend named Sara. She is very kind and friendly. She has long black hair and beautiful brown eyes. She is always smiling and makes people feel happy. Sara is very honest; she always tells the truth. She is also ambitious and works hard to achieve her dreams. She never gives up, even when things are difficult. Sometimes, she gets a little angry or stressed when things are hard, but I always tell her to stay positive. I hope she always stays optimistic and never becomes pessimistic, because she has a strong heart. Even when she is upset, she always finds a way to smile again. She is also very funny and makes me laugh when I feel sad. When I have a problem, she listens to me and helps me. We like to spend time together, talk, and laugh. We share many good memories, and I know we will create more in the future. She is not just my friend; she is like a sister to me. I feel lucky to have her in my life, and I hope we will always stay close.
